COURSE RULES – PART I

General - Contact Tournament Director, **Jeff Jacquart**, at **702-249-0387** for any problems or questions. When in doubt, use the provisional rule (809.02).

Awards - Ties for second and third place trophies will use final hot round.

Caddies - A caddie is a person who carries a player's equipment and/or assists the player during their round. Players may designate **one** caddie at a time during their round. A caddie must be at least 13 years of age and must comply with the same rules & requirements as their player. The Player is solely responsible for their caddie's conduct from the two-minute signal until the player's scorecard is submitted. Any penalties for misconduct by a caddie will be applied to both player and caddie. Caddies are **not part of the player group** for the purposes of making group calls or rulings (also see Player Group).

Cart Paths - The cart path is defined as the point where the roots of the grass and the concrete edge of the cart path (including raised edging) meet, unless otherwise marked by rope or paint. All other improvements (see examples below) adjacent to the cart path are not part of the cart path. The out-of-bounds line is a vertical up-and-down plane. The out-of-bounds line is part of the out-of-bounds area. **(A disc landing on dirt or grass growing over a cart path edge is out-of-bounds when 100% of the disc is on the O.B.-side of the vertical plane.)**

Casual Water - Unless marked as O.B., play casual water as a Casual Area (806.03). Lie may be relocated to the nearest lie which is farther from the target and is on the line of play, at the nearest point that provides relief, without penalty.

Discs Retrieval (from Back Yards & Water Areas) - Entering into private yards or wading into water to retrieve a disc will be seen as Player Misconduct and subject to immediate disqualification at the discretion of the Tournament Director and potential criminal/trespassing charges by the City of Henderson Police.

Green - Unless marked by rope or paint, defined as the area within the lowest grass cut around a ball golf hole.

COURSE RULES – PART II

Island Holes - Disc must come to rest on marked islands (Course Innova, Holes 9, 12, 15, and 16). If island missed, as approved by the PDGA, take one-stroke penalty and next shot from the designated drop zone(s).

Out of Bounds – In general, out of bounds will be marked either by the cart path edge, street/curb edge, pavement edge, water edge, rope, or flags. When flags or posts are used to define the out-of-bounds or hazard, a direct line connecting the two closest flags/posts shall be used to determine the out-of-bound or hazard “line.”

Player Group – For all divisions, the group consists of the players themselves, each player’s individual caddie, any active Tournament staff such as leaderboard attendants, Tournament Officials, etc., and any credentialed media ONLY. No other people may be with the playing group. All others (including players who have already finished their round) are considered spectators and must remain at least 30 feet from the group.

Sand Traps - Sand traps are hazards (8.06.05). Take one-stroke penalty and play it where it lies (lie is not relocated). No relief provided from sand traps. Unless marked by rope or paint, defined as the point where the roots of the grass and the sand meet. The hazard line is a vertical up-and-down plane. The hazard line is part of the hazard area. **(A disc landing on grass growing over a sand trap is in the hazard when 100% of the disc is on the hazard-side of the vertical plane.)**

Selling of Merchandise - Permission is not granted to sell merchandise without consent of the Tournament Director. Such activities will be seen as Player Misconduct and subject to immediate disqualification at the discretion of the Tournament Director.

Teeing Areas - The teeing area is defined by the area bounded by the edges of the provided tee pad (the artificial turf). When in use, Teeing Areas are in-bounds.

Two Meter Rule - Not in effect for all courses, all holes.

Water Areas – Unless marked by rope or flags, defined as the point where the water and the roots of the grass meet. The out-of-bounds line is a vertical up-and-down plane. The out-of-bounds line is part of the out-of-bounds area. **(A disc landing on grass growing over water is out-of-bounds when 100% of the disc is on the O.B.-side of the vertical plane.)**

Zero Tolerance - Any inappropriate activities will be dealt with immediately.
